

**RASKEVEOKITE LIIKUMISE KEELD
KESKLINNAS JA KALAMAJAS 2015**

The map illustrates the movement of heavy vehicles (15t and 7t) in Tallinn, Estonia, in 2015. The areas are color-coded: North-Tallinn (Põhja-Tallinn) in light blue, Central-Tallinn (Kesklinn) in light green, and Lasnamäe in light orange. Major roads are shown in yellow, and the city's coastline is in blue. The map includes a scale bar at the bottom indicating distances up to 2000m.
